TechBridge Sol

Employee Handbook

Effective Date: January 2026
Applies To: All Employees (subject to local labor laws)

1. Welcome Message

Welcome to TechBridge Sol! We are thrilled to have you join our global team. Our mission is to provide innovative SaaS solutions that empower businesses to operate more efficiently and make data-driven decisions.

This handbook provides guidance on company policies, workplace standards, benefits, and expectations. It is designed to help you understand your responsibilities and support a productive and respectful workplace.

All employees are encouraged to review this handbook carefully and refer to Human Resources with any questions. Compliance with the policies contained herein is essential for maintaining the professional and collaborative environment that defines TechBridge Sol.

2. Company Overview

TechBridge Sol is a mid-size global Software-as-a-Service (SaaS) company delivering scalable platforms to clients worldwide. Our teams operate across engineering, product, sales, marketing, customer success, and corporate operations.

Our culture emphasizes innovation, accountability, and collaboration. Employees are encouraged to propose improvements, share knowledge, and take ownership of their responsibilities to drive the company forward.

Integrity, respect, and transparency guide all interactions, both internally and with customers and partners. These values form the foundation of our organizational standards and workplace behavior expectations.

3. Employment Relationship

Employment at TechBridge Sol is based on mutual trust, professionalism, and performance. Unless otherwise required by local law or employment agreement, employment is at-will, meaning either the employee or the company may terminate the employment relationship at any time, with or without cause or notice.

Nothing in this handbook constitutes a contract or guarantees continued employment. The company reserves the right to modify, amend, or terminate policies at its discretion, subject to applicable legal requirements.

4. Equal Employment Opportunity

TechBridge Sol is committed to providing equal employment opportunities to all employees and applicants. Employment decisions are made based on qualifications, performance, and business needs.

Discrimination or harassment based on race, color, religion, gender, sexual orientation, age, disability, national origin, veteran status, or any legally protected characteristic is strictly prohibited.

Employees are encouraged to report any concerns regarding discrimination or harassment to Human Resources or management promptly. Retaliation against employees who report in good faith is prohibited.

5. Workplace Conduct and Code of Ethics

Employees are expected to conduct themselves professionally, ethically, and respectfully at all times. This includes:

- Treating colleagues, customers, and partners with respect
- Maintaining honesty and integrity in all business dealings
- Following company policies and applicable laws

Harassment, bullying, retaliation, conflicts of interest, and misuse of company resources are strictly prohibited. Violations may result in disciplinary action, up to and including termination.

6. Information Security and Confidentiality

Protecting company and customer information is a shared responsibility. Employees must:

- Comply with information security policies
- Use approved tools and systems for work
- Protect passwords and confidential data

Suspected security incidents, breaches, or loss of company property must be reported immediately. Failure to safeguard information can result in disciplinary action.

7. Work Hours, Attendance, and Remote Work

Employees are expected to adhere to scheduled work hours, attend required meetings, and complete assigned tasks timely.

TechBridge Sol supports flexible work arrangements, including remote or hybrid work where operationally feasible. Employees approved for such arrangements are responsible for maintaining productivity, confidentiality, and a safe work environment.

Managers will coordinate schedules to balance team needs, business priorities, and employee flexibility.

8. Leave and Time Off

TechBridge Sol provides various types of leave, including Paid Time Off (PTO), sick leave, public holidays, parental leave, and other statutory or discretionary leave programs.

Employees must submit leave requests in advance whenever possible and coordinate with their teams to maintain continuity of business operations. Detailed leave entitlements are outlined in the Employee Leave Policy.

9. Performance Management

Performance management is an ongoing process focused on clear expectations, regular feedback, and professional development. Employees participate in periodic performance reviews to assess progress, set goals, and align individual objectives with organizational priorities.

Employees are encouraged to seek feedback proactively and engage in skill development opportunities to enhance their contributions.

10. Disciplinary Procedures

Failure to comply with company policies, standards of conduct, or performance expectations may result in corrective action. Actions are applied consistently, fairly, and in compliance with applicable laws.

Disciplinary procedures may include counseling, warnings, suspension, or termination depending on the severity of the violation.

11. Use of Company Equipment

Company-provided equipment and systems are intended primarily for business use. Limited personal use may be permitted as long as it does not interfere with job responsibilities, violate policy, or compromise security.

Employees are responsible for the proper care, protection, and security of all company assets assigned to them.

12. Acknowledgment and Agreement

All employees are required to acknowledge that they have read, understood, and agree to comply with the policies outlined in this handbook.

Questions regarding policies, procedures, or expectations should be directed to Human Resources.
